Re: Sidewalk Vending Community Meetings

On December 2, 2014, the Los Angeles City Council, Economic Development Committee discussed Motion (Price-Huizar; C.F. 13-1493) regarding the potential implementation of a sidewalk vending program in the City of Los Angeles. Members of the Economic Development Committee requested the Office of the Chief Legislative Analyst (CLA) to solicit additional community input to assist with the decision-making process associated with sidewalk vending and vending in parks. Four meetings to solicit such input were held during the months of May and June in Boyle Heights, Van Nuys, City Hall and South Los Angeles. At this time, we have requested the CLA to hold two additional meetings.

Due to the high level of interest in the community, the date and venue for the Monday, August 10, 2015 meeting has been moved to Tuesday, August 11, 2015 at the Felicia Mahood Multipurpose Center located at 11338 Santa Monica Boulevard, Los Angeles, CA 90025.

The time, date and location for the two upcoming community meetings relative to sidewalk vending are listed below. I respectfully request that you inform your respective community members, including Neighborhood Councils.
